## HOW TO APPLY OSURNIA AT HOME

Step one: Remove tube from refrigerator where Osumnia is stored.

Step two: Twist the top to open. The tip of Osumnia is soft and very flexible.

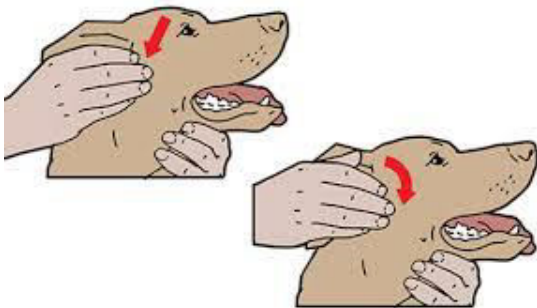

Step three: Hold the tip of your dog's ear up to ensure you have access to ear canal

Step Four: Squeeze entire contents of tube inside ear canal as pictured.

Step Five: Massage contents into ear canal

**Be sure not to clean out your dog's ears for the next 6 weeks**
